

CUSTOM TABLES

Dissatisfied with ordinary tables? Let us create a singular masterpiece catered to your space.

From expanding tables where your whole family can gather, to sleek conference tables, to live-edge work showcasing the beauty and strength of natural wood, we build custom, hand planed tables you'll delight in for a lifetime.

SUNNIVA OUTDOOR COLLECTION

The word 'Sunniva' comes from an old English term meaning 'gift of the sun.' It is a fitting name for our outdoor collection, which is crafted from sustainably-sourced Honduran mahogany and meant to contribute to many lovely hours spent outdoors.

The Sunniva Collection includes cocktail and dining tables as well as arm chairs, rocking chairs, side chairs, a settee, and a stunning porch swing.

HOSPITALITY/COMMERCIAL

Serving farm-to-table food on a table made in China? Pouring fine wines for patrons on wobbly stools? Let us furnish your business with high performance pieces that reflect the values of your brand and enhance the guest experience.

We offer commercial solutions for indoor and outdoor chairs, barstools, and tables.

A Brian Boggs chair is more than just a chair; it is a tree whose second life will be cherished for generations.

Brian Boggs

At Brian Boggs Chairmakers, we handcraft original designs to an heirloom-quality standard. Our unique build-to-order process ensures unparalleled personal attention to every aspect of our work.

Our namesake and creative leader, Brian Boggs, is a master chairmaker and tool designer with over 30 years of fine woodworking experience. He has garnered international acclaim for the novelty of his methods, the inherent comfort of his designs, and an intimate knowledge of wood as a medium.

The fruits of our labor? Functional pieces of sculpture that are equally remarkable in aesthetics, structure, and performance.

GREENWOOD COLLECTION

A rustic post-and-rung collection grown from ancient woodworking techniques. Brian made his first greenwood style chair in 1982. Today, this family of seating embodies the best of traditional chairmaking, built for comfort with the flourishes of a master.

Side chairs, arm chairs, barstools, and rocking chairs, in a variety of seat weaving and finish options.

CLASSIC LADDERBACKS

Precision joinery, steam-bent components, and hand-carved details come together in a genuinely restful posture. You will not find a more stunning, comfortable, timeless ladder back chair anywhere. These acclaimed designs grace the homes of many connoisseurs.

Side chairs, arm chairs, barstools, and rocking chairs with several wood and weave options.

SONUS GUITAR CHAIR

A product of collaboration with guitarists and decades of ergonomic study, the Sonus is a beautifully articulated expression of comfort, made to benefit the physical health of musicians.

Musicians praise the Sonus for extending their practice times and relieving their pain. Its stunning craftsmanship evokes that of the luthier.

Chairs and stools available in a variety of fine tonewoods.

LILY COLLECTION

A contemporary, floral-inspired collection of dining chairs, barstools, and tables. Lily seating has lovely curled edges, with a deep carved seat and back that feel amazingly soft and accommodating due to the accuracy of the shape fitting your body.

The delicately arched legs of Lily coffee and dining tables gracefully support your choice of stunning tabletop.
